

January 24, 2025

Dear Pastors and Church Members,

In this challenging time, we are deeply aware of the fear and uncertainty many in our community are experiencing due to the recent executive order regarding undocumented immigrants. We sympathize with those who worry about being separated from their families and the lives they have built here. As a church organization, we stand together in faith, hope, and compassion, committed to being a source of support and encouragement for all who are affected.

To assist you during this difficult season, the Conference Administrative Office, in collaboration with the Southern Union, has compiled a set of resource materials on immigration and customs enforcement. These materials provide valuable information on current policies and practical steps to navigate this complex situation. It is our prayer that these resources will guide those in need, offering clarity and reassurance amid uncertainty. We encourage you to share this information with anyone who may benefit from it.

As we face these challenges, let us not lose sight of the promises of God. Psalm 46:1 reminds us, ***“God is our refuge and strength, a very present help in trouble.”*** In Him, we find peace and the assurance that we are never alone. We are praying for every individual and family impacted, trusting that God’s peace and provision will sustain you through this time.

Let us continue to walk in faith, standing as a beacon of hope and love for one another.

With hope and prayers,

Michael K. Agyei Owusu, DMin
President
